

RESUME

Hi 🖐️ I'm

Akshayan Muhunthan

Intern UI/UX Designer

About me

Profile Summary

As a **UI/UX** Designer skilled in Figma and Photoshop, I blend creativity and functionality into every project. My **graphic** design expertise, combined with basic Illustrator skills, makes me **versatile**.

With a solid understanding of front-end development (React.js, CSS, HTML), I create designs that are visually engaging and easy for developers to implement, **bridging** the gap between **design** and **development**.

Education

Academic Journey

2022 - Present

B.Sc.(Hons) in Software Engineering

Sabaragamuwa University of Sri Lanka

2020

Experience

Design Journey

July 2024 - Present

Junior Graphic Designer

Selected as Junior Graphic Designer at Bnova Labs, excited to contribute to innovative projects and designs.

Bnova Labs

February 2023 & 2024

ICARC

At Sabaragamuwa University, I volunteered for the International Conference on Advanced Research in Computing (ICARC), creating flyers, posters, and logos for event promotion.

Sabaragamuwa University of Sri Lanka

2023 - 2024

Zero Plastic Community

I was part of the Design Team, creating design materials for World Cleanup Day to raise environmental awareness and designing certificates for participants.

Sabaragamuwa University of Sri Lanka

October 2023

CreatU Workshop

As President of the CreateU workshop, I led design workshops to foster creativity in the university community and created the workshop logo to enhance its visual identity.

Sabaragamuwa University of Sri Lanka

September 2023

IEEE Day Function

Additionally, I volunteered for the University IEEE Day Function's Design Team, contributing to event promotion through design work.

Sabaragamuwa University of Sri Lanka

2021 - 2024

TDUSA

I also served as a member of the media team for the Trincomalee District University Students' Association (TDUSA), where I designed promotional materials and captured photos to enhance the association's online presence.

Trincomalee District University Students' Association

Competitions

Major Achievements

2024

IX24 Design Competition - Top 12 Finalits (6th Place)

Placed 6th in the IIT competition, reaching the top 12 finalists. We designed a mobile app for environmental sustainability and developed an Apple Vision OS app for a museum, competing against over 600 students and 165 teams.

Informatics Institute of Technology - IIT

2024

Mora UXplore 2024 - Semi-finalist (Top 30 Teams)

Our team reached the semi-finals of the Mora UXplore 2024 UI/UX competition, ranking in the top 30 out of 550+ teams. During this competition, my redesign of the University Grants Commission (UGC) website garnered significant recognition and reach.

University of Moratuwa

2023

IEEE Innovation Nation Sri Lanka (INSL) 2023 - Top 10 Finalist

In the IEEE INSL 2023 competition, we reached the top 10 finalist stage for the idea category in Sabaragamuwa Province, showcasing our potential in early-stage innovation.

Sabaragamuwa Province

Leadership

Leadership Journey

Editor (Organizer), Trincomalee District University Students' Association - 2023 to 2024

Served as the Editor and Organizer for TDUSA, a collaborative body of university students elected island-wide from the Trincomalee District. My role involved overseeing communications, organizing events, and managing content creation, fostering collaboration and unity among students from various universities.

Prefect, T/Orr's Hill Vivekananda College - 2016 to 2017

Served as a Prefect, assisting in maintaining discipline and supporting school activities.
